Bem-vindo ao

BONO

RESTAURANTE

The idea is simple: to cook tasty dishes, with Brazilian influence, classic techniques, smoked over coals, colorful, inventive, and using local products. At Bono, we work intuitively with fire and seasonal ingredients.

The kitchen is powered by coals and everything is freshly prepared. We use the embers for cooking in order to enhance the natural characteristics of the ingredients..

Prize - 2 Forks from the Lisboa à Prova contest

22/23/24

Chef Robson Oliveira
